

Building Collaborative Responses to Trafficked Victims of Domestic Violence and Sexual Assault Institute

Institute focused on improving collaborative responses to address the complex needs of domestic violence and sexual assault survivors who have also experienced human trafficking.

Build skills to identify, assist, and ensure the safety for survivors. Exchange innovative solutions and strengthen coordination. Enhance survivor-centered support services through collaboration.

and other experts.

Building Collaborative Responses to Trafficked Victims of Domestic Violence and Sexual Assault Institute

Institute Goals

- Strengthen multi-disciplinary collaborative strategies in responding to adult and youth survivors of trafficking with domestic violence and sexual assault experiences.
- Recognize the ways human trafficking can intersect with domestic violence and sexual assault.
- Increase the collaborative's capacity to provide survivor-centered, and trauma-informed support that meets the accessibility needs of survivors of trafficking and domestic violence and/or sexual assault.

Who is invited to attend?

- Multidisciplinary teams (teams of 2 - 4) comprised of different organizations. May include but are not limited to: domestic violence/sexual assault program staff, healthcare staff, attorneys/legal experts, law enforcement, anti-human trafficking programs, task force members, other community programs. **At least one team member needs to represent a DV/SA organization.** (1 to 2+ years of anti-HT experience, decision-makers within their organization).

Costs

- The 2.5-day training is provided free of charge. Participants are responsible for their own meals, lodging, travel arrangements, and costs associated with attending. Accommodations are available at the government rate of \$224 per night + tax. Do not make travel arrangements until confirmed.
- OVW grantees and their OVW grantee partners should use their OVW travel funds to send grant-funded staff and partners to this training, with prior approval from their OVW Program Manager.
